1 Introduction

- 1.1 This policy aims to set out the process that will be followed and the additional considerations around suspensions and Permanent Exclusions that the school will apply. Good behaviour and self-discipline lead to effective learning and help prepare children and young people for life beyond the school gate.
- 1.2 Where the Gordon Children Academy's approaches towards behaviour management have been exhausted, then suspensions and Permanent Exclusions will sometimes be necessary as a last resort. This is to ensure that other pupils and teaching staff are protected from disruption and can learn in safe, calm, and supportive environments.
- 1.3 The school will always have regard to the https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/1162401/Suspension_and_permanent_exclusion_guidance_May_2023.pdf when making decisions on suspensions and Permanent Exclusions and will follow the law, as set out in the relevant School Discipline (Pupil Exclusions and Reviews) (England) Regulation 2012 (as amended).
- 1.4 This policy should be read in conjunction with the behaviour policy and the SEND policy for the school.

2 Application of policy

- 2.1 This policy applies to all members of the school community. Each school within the Thinking Schools Academy Trust will apply suspensions and Permanent Exclusions in accordance with this policy and ensure that its contents are relayed to all staff, parents and pupils.

3 Types of exclusion

Suspensions and Permanent Exclusions are different:

- 3.1 Suspensions (previously called fixed-term exclusions) are where a pupil is prevented from attending the school for a fixed period. At the end of the period, they are expected to return to

school following a reintegration meeting. A pupil may receive a maximum 45 days of suspension in an academic year before being permanently excluded.

- 3.2 Permanent exclusions are where, subject to a decision of the governing board to reinstate the pupil to the school, the pupil is prevented from attending the school again. A decision to Permanently Exclude will only be taken in response to a serious breach or persistent breaches of the school's behaviour policy; and where allowing the pupil to remain in school would seriously harm the education or welfare of the pupil or others such as staff or pupils in the school.

4 Roles and responsibilities

All members of the school community are expected to follow this policy. Roles, responsibilities and expectations of each section of the school community are set out in detail below.

The headteacher

- 4.1 All decisions to suspend or Permanently Exclude a pupil will be taken by the headteacher after considering all the circumstances. Every decision made will be proportionate to the seriousness of the behaviour with reference to the school's behaviour policy.
- 4.2 As the headteacher, you must inform parents/carers of their right to make a request for a remote meeting when notifying them of the exclusion.

The Governors

- 4.3 The governing board is responsible for forming committees to review Permanent Exclusions and suspensions when it is required to do so, it is requested by parents, or it is, in its view, prudent to review an individual decision. In each case, the decision of the Governors' Discipline Committee, formed by the governing board, will be to decide whether to uphold the Permanent Exclusion or suspension, or instead to reinstate the pupil to the school.

Parents

- 4.4 Parents will be informed without delay of any suspension or Permanent Exclusion and there is an ability to make representations in regard to any suspension or Permanent Exclusion decision.

Details will be provided on the rights parents have with every letter that is sent from the headteacher.

Pupils

- 4.5 All pupils of the school are expected to follow the expectations regarding their behaviour to ensure that all pupils can learn and participate in school life effectively. Where those expectations are breached, the behaviour policy will apply.

5 Witness evidence and pupil views

- 5.1 Where witness evidence is relied upon, whether that be from a pupil or a staff member, the statement(s) will be provided at any governor review meeting. All statements will be signed and dated unless the headteacher has good reason to protect the anonymity of the relevant witness. Reasons may include threats of reprisals.
- 5.2 Before taking a decision to suspend or Permanently Exclude and where appropriate, the headteacher will take the pupil's views into account, considering these in light of their age and understanding, and inform the pupil about how their views have been factored into any decision made. Where relevant, the pupil will be given support to express their view, including through advocates such as parents or, if the pupil has one, a social worker. The headteacher will also take account of any contributing factors identified after an incident of misbehaviour has occurred.

6 Reintegration strategy meetings following suspension or off-site direction

- 6.1 Where a pupil is suspended or is directed to be educated off-site, upon return to the school both the pupil and parents will be invited to a reintegration strategy meeting. The purpose of the meeting is to:
- offer the pupil a fresh start,
 - help them understand the impact of their behaviour on themselves and others,
 - teach them to how meet the high expectations of behaviour in line with the school culture,

- foster a renewed sense of belonging within the school community; and
- build engagement with learning so that further suspensions are not needed. School staff will work with the pupil to understand what led to the behaviour and to establish if any changes can be made or further support implemented from a pastoral of practical perspective that might reduce the chance of repeat behaviours. Previous behaviour is not seen as an obstacle to future success.

6.2 The school used various measures to support a pupil's successful reintegration which may include some of the following:

- daily contact with a designated pastoral professional in-school
- use of a report card with personalised targets leading to personalised rewards
- ensuring the pupil receives academic support upon return to catch up on any lost progress
- planned pastoral interventions
- mentoring by a trusted adult or a local mentoring charity
- regular reviews with the pupil and parents to praise progress being made and raise and address any concerns at an early stage; and
- informing the pupil, parents and staff of potential external support.

6.3 Whilst reintegration meetings are highly encouraged by the school, pupils will not be prevented from being admitted to the school or being put in mainstream classes because a meeting has not taken place.

7 Suspensions before a Permanent Exclusion

7.1 In exceptional circumstances, pupils may receive a suspension prior to a Permanent Exclusion. For each decision, the headteacher will send the relevant letter setting out the rights of parents. A suspension cannot be converted into a Permanent Exclusion and so any subsequent Permanent Exclusion would be a fresh decision due to commence immediately after the suspension had ended. Exceptional circumstances may include where further evidence has come to light or where the incident was serious and time is required to fully investigate the circumstances and consider alternatives.

8 Directing off-site and managed moves

- 8.1 Before taking any decision to permanently exclude a pupil, the headteacher will consider whether a direction to attend alternative provision would be a reasonable alternative that should be considered.
- 8.2 In the case of directing a pupil off-site to alternative provision, the aim of any direction is for it to be used as a short-term measure as part of the school's behaviour management strategy to improve a pupil's behaviour where in-school interventions and/or outreach have been unsuccessful or are deemed inappropriate. While parental consent is not needed, discussions would take place with parents to feed in their views about the options. Depending on the individual needs and circumstances of the pupil, off-site direction into alternative provision can be full-time or a combination of part-time support in alternative provision and continued mainstream education.
- 8.3 A managed move is used to initiate a process which leads to the transfer of a pupil to another mainstream school permanently. Managed moves should be voluntary and agreed with all parties involved, including the parents and the admission authority of the new school. If a temporary move needs to occur to improve a pupil's behaviour, then offsite direction (as described in 36 to 47) should be used. Managed moves should only occur when it is in the pupil's best interests.

9 Requirements on a governing board to consider an exclusion/suspension

Type of exclusion / suspension	Period of exclusion/suspension	Requirements	Timeframe
Permanent		Must consider reinstatement. Must invite parents or pupil if over 18, headteacher, the pupil's social worker if the pupil has one, the VSH for a LAC and in the case of a maintained school a representative of LA* (or PRU) to a meeting and allow oral and written representations to be made. Must invite parents or pupil if over 18, headteacher, the pupil's social worker if the pupil has one, the VSH for a LAC and in the case of a maintained school a representative of LA* (or PRU) to a meeting and allow oral and written representations to be made	Within 15 school days of receiving notice of the exclusion
Suspension	Brings total to 6-15 days in a single term	If requested to do so by parents, must convene a meeting to consider reinstatement. Must consider reinstatement. Must invite parents or pupil if over 18, headteacher, the pupil's social worker if the pupil has one, the VSH for a LAC and in the case of a maintained school a representative of LA* (or PRU) to a meeting and allow oral and written representations to be made. If parents do not request a governing board meeting, the board is not required to consider the suspension but does have the power to consider the reinstatement of the pupil.	Within 50 school days of receiving notice of the exclusion
Suspension	Brings total to 5 days or less in a single term	Must consider any written representation made by parents at a meeting but cannot direct reinstatement	No deadline. Should happen within a reasonable amount of time

* For Academies an LA representative must be invited if requested by the parents. Their role is as an observer unless the Governing Board give permission to make representations

Parents/carers can request the meeting be held remotely

We encourage holding meetings in person, because this is still the default. But now parents/carers can request that a meeting be held via the use of remote access (carried out by electronic means, e.g. live video link). As the headteacher, you must inform parents/carers of their right to make a request for a remote meeting when notifying them of the suspension.

Meetings can also be remote in unforeseen or extraordinary circumstances

For example, school closure due to:

- Floods
- Fire
- Infectious illness / disease

Note that where these extraordinary circumstances don't apply and parent/carers don't request a remote meeting, then the meeting **must** be held in person.

Make sure certain conditions are met for remote meetings

Governing boards and arranging authorities should:

- Confirm that all the participants have access to the technology which will allow them to:
 - Hear
 - Speak
 - See
 - Be seen
- Make sure all the participants will be able participate fully
- Make sure that the remote meeting can be held fairly and transparently

If the governing board or arranging authority aren't satisfied that a remote meeting can be held fairly and transparently, then they should consult with parents/carers to decide how a face-to-face meeting can be arranged.

If technical issues occur, rearrange to meet in person

Where you can't resolve technical difficulties that prevent participants holding the meeting fairly or transparently, arrange a face-to-face meeting without delay.

Social workers and virtual school heads (VSHs) can join remotely, even if the meeting is held in person, as long as they can contribute effectively.

10 Independent review panels (IRPs)

- 10.1 The Thinking Schools Academy Trust arranges its own IRPs, and requests for an IRP where a permanent exclusion has been upheld should be made to GDC Clerk (Thinking Schools Academy Trust, c/o New Horizons Children's Academy, Park Crescent, Chatham, Kent ME4 6NR, or GDC@tsatrust.org.uk) within 15 school days.
- 10.2 Further details on the role and powers of IRPs can be found in Part Ten of the Statutory Guidance on Exclusions.

11 Reconsideration by the governing board

Where an IRP either recommends reconsideration or quashes the initial decision of the governing board, the decision will be considered within 10 school days. This may involve a rehearing with oral evidence given by the school and parents or may be a reconsideration with only the governing board members and the clerk present.

12 Complaints

If parents have any concerns or complaints over the application or implementation of this policy, they should raise their concerns with a staff member or the headteacher in accordance with the school's complaints policy. If the concern relates to a suspension the statutory procedure set out in the Suspensions and Permanent Exclusion statutory guidance will be followed.

13 Equality impact

The school does all it can to ensure that its policies do not discriminate against pupils or others, either directly or indirectly, in line with any Equality Act 2010 protected characteristics. This includes race, religion, disability, sexual orientation, and sex.

14 Monitoring arrangements

The governors review data on suspensions and Permanent Exclusions to ensure that their use is appropriate. The following are monitored by the governors to ensure the processes and support for pupils are appropriate:

- the interventions put in place for pupils at risk of suspension and permanent exclusion
- the processes in place for determining and reviewing directions to alternative provision and that such placements are reviewed at sufficient intervals to assure that the education is achieving its objectives and that pupils are benefiting from it
- the full-time educational provision for pupils of compulsory school age from the sixth consecutive school day of a suspension, in particular checking the provision is suitable and quality-assured to ensure that:
 - any previous placements have been evaluated, including support for any applicable SEND
 - there is a process in place to monitor the pupil's attendance and behaviour at the provision
 - the correct attendance code is being used

- the pupil's child protection file and any other information relevant to the pupil's safeguarding and welfare has been securely transferred to their new setting as early as possible
- whether there is any variation within the year on suspensions and permanent exclusions and the characteristics of pupils
- the cost implications of directing children to be educated off-site in alternative provision and whether there are any patterns to the reasons or timing of moves
- whether the school register and absence codes have been recorded correctly
- how the behaviour policy is applied and specifically its consistency
- the circumstances in which pupils receive repeat suspensions
- whether Personal Education Plans for looked after children have been reviewed on a termly basis

15 Headteacher/Principal's Exclusion Checklist

The Department for Education's statutory guidance on Suspensions and Permanent Exclusion from school, requires decisions to be lawful, reasonable, fair and proportionate. As such, the following matters should be taken into account and evidenced.

Do you have sufficient evidence to satisfy the tests for suspension or permanent exclusion?

- What evidence is there to show a breach of the school's behaviour policy?
- What evidence is there to satisfy the test at paragraph 11 of the guidance for permanent exclusion (i.e., serious breach or persistent breaches of the behaviour policy and where allowing the pupil to remain in school would seriously harm the education and/or welfare of the pupil or others such as staff or pupils in the school)?
- Does the available evidence satisfy the tests on the balance of probabilities?
- Have the pupil's views been captured and considered, in light of their age and understanding?
- Are there witness statements? Are they signed and dated? If not, what is the reason for this?
- Do the reasons for suspension or permanent exclusion accord with the potential grounds for suspension or exclusion as set out in paragraph 15 of the guidance or are they of similar severity?

For suspensions

- What length of suspension is appropriate and proportionate in the circumstances?
- What arrangements have been made for work to be provided on days 1 to 5? Or has alternative provision been arranged?
- Has a reintegration strategy been organised and communicated to the parents as set out in paragraphs 26 and 27 of the guidance?

Extending the length of a suspension or issuing of a permanent exclusion following a period of suspension

- Is there new information to justify the new suspension or permanent exclusion and it is sufficient to justify the new decision on the balance of probabilities?
- Has the new decision letter to the parents and other relevant stakeholders?

Is suspension or permanent exclusion the last resort or an appropriate sanction?

- What alternatives to suspension or permanent exclusion have been considered, including but not limited to off-site directions, managed moves, engagement with parents, provision of mentoring/coaching, use of pupil support units, assessment and support under the SEND framework, and multi-agency support under the “working together” framework?
- Have the circumstances of the pupil been considered and taken into account?
- Are there any safeguarding concerns that require a multi-agency approach?
- Does the pupil have SEND? Is an assessment required? Have any reasonable adjustments to school practices and/or procedures been considered and implemented? If the pupil has an EHCP, have the school called an interim/emergency annual review?
- If the child is looked after, has contact been made with the social worker or virtual school headteacher and has a PEP review been called?

Notification

- Have parents been notified without delay?

- Have the school told parents that during the first 5 days of the suspension or exclusion (or until any full-time alternative provision begins) the parent must ensure that the child is not in a public place during school hours?
- Have parents received the formal written notification with reasons within three school days?
- Have other relevant stakeholders been notified – governors, local authority, social worker, virtual school headteacher?

Cancelling exclusions

The headteacher can cancel any exclusion that has already begun (or one that has not yet begun), but this can only happen when the governing board has not yet met to consider whether the pupil should be reinstated. Where an exclusion is cancelled:

- The headteacher must notify the parents, the governing board, the LA and the pupil's social worker and VSH as applicable, without delay.

The notification must also provide the reason for the cancellation

- The governing board's duty to consider reinstatement ceases, and there is no requirement to hold a meeting to consider reinstatement
- Parents (or the excluded pupil if they are 18 years or older) should be offered the opportunity to meet the headteacher to discuss the circumstances that led to the exclusion being cancelled which should be arranged without delay
- The pupil must be allowed back into the school from which they were excluded without delay
- Any days spent out of school as a result of any exclusion, prior to the cancellation will count towards the maximum of 45 school days permitted in any school year

A permanent exclusion cannot be cancelled if the pupil has already been excluded for more than 45 school days in a school year or if they will have been so by the time the cancellation takes effect.

Dear [Name of Parent(s)]

Re: Permanent exclusion of [name of pupil]

[I write further to my decision to suspend [name of pupil] on [date] for [number] days while an investigation [into the incident that took place on [date]] was carried out.]

[The investigation is now complete and]I regret to inform you of my decision to permanently exclude [name of pupil] with effect from [date]. This means that [name of pupil] will not be allowed in this school unless they are reinstated by the [governing board/ discipline committee].

I realise that this exclusion may well be upsetting for you and your family, but the decision to permanently exclude [name of pupil] has not been taken lightly. [name of pupil] has been excluded because [set out reasons and whether decision is for a single serious breach or persistent breaches of the behaviour policy. Where the investigation following a suspension has resulted in a permanent exclusion, set out the findings and new reason for the permanent exclusion].

[Where the pupil has a disability, or additional needs/special educational needs which may amount to a disability, confirm what adjustments have previously been made for the pupil to avoid permanent exclusion.]

You have a duty to ensure that your child is not present in a public place in school hours during the first five school days of this exclusion unless there is reasonable justification. You could be prosecuted or receive a penalty notice if your child is present in a public place during school hours on those days. It will be for you to show reasonable justification.

Alternative arrangements for [name of pupil]'s education will be made. For the first five school days of the exclusion, we will set work for [name of pupil] and would ask you to ensure this work is completed and returned promptly to school for marking. [Set out how work will be set and whether it should be collected or will be sent to the parent OR if alternative provision is being arranged during the first five days, set out the following details if known at this stage: the start date for any provision of full-time education that has been arranged for the child during the exclusion; the start and finish times of any such provision, including the times for morning and afternoon sessions where relevant; the address at which the provision will take place; any

information required by the pupil to identify the person they should report to on the first day.] From the sixth school day of the exclusion onwards, the local authority will provide suitable full-time education. The arrangements for this will be set out in a further letter.

As this is a permanent exclusion the Governor's Discipline Committee must meet to consider it. At the review meeting you may make representations to the Governor's Discipline Committee if you wish and ask them to reinstate your child in school. The Governor's Discipline Committee has the power to reinstate your child immediately or from a specified date, or, alternatively, it has the power to uphold the exclusion, in which case you may request that its decision be reviewed by an independent review panel. The latest date by which the Governor's Discipline Committee should meet is [date – 15 school days after receiving notice of exclusion].

Parents/carers have the right to request that this meeting take place virtually by the use of remote access e.g., live video link which the clerk will set up and ensure meets the conditions for remote meetings. Headteacher report to Governors

Introduction

[Set out details re child – DOB, when joined school, year group, whether the pupil is in receipt of PP, FSM, is LAC, has SEND etc. as well as nature of review – PEX arising from serious breach or persistent breaches of behaviour policy. Refer to extracts of behaviour and exclusion policies. If relevant set out transition information from previous school]

Incident details

A chronology of suspensions is below:

- [Xxxx
- Xxxx
- Xxxx]

[Set out details of behaviour over school period and sanctions imposed – refer to behaviour log and any records of reintegration strategy meetings where behavioural expectations were reiterated.

If the exclusion is for a one-off serious incident, explain background to incident referring to witness and any other evidence in support. Explain how the pupil knew the behaviour exhibited was contrary to the behaviour policy and that it could result in exclusion e.g. how the behaviour policy's expectations are communicated to pupils etc.

Explain impact of behaviour on the pupil and others (staff and fellow pupils) in the school.]

Support for [name]

[Set out what has been put in place internally and externally to support the pupil in a clear timeline – provide details of all family and pupil support and interventions offered and comment on effectiveness/engagement etc. including any referrals e.g. for Early Help, CAMHS, EP etc. If the pupil has SEND, refer to the SEND policy and any evidence of the graduated approach of assess, plan, do, review. If the pupil has an EHCP explain whether a review of that plan was called. Explain level of communication/dialogue with parents.]

Alternatives to permanent exclusion

The following alternatives were considered:

[e.g. more lenient/different sanctions, direction to be educated off-site at an alternative provider, time spent in Pupil Support Unit, managed moves etc.]

Intervention	Date(s)	Purpose	Outcome

Conclusion

Legality

E.g. The decision to exclude was made by the headteacher and has been made on disciplinary grounds. It is not due to academic ability or the actions of [name]'s family or failure to meet specific conditions. It is for [a serious breach] [persistent breaches] of the school's behaviour policy, and because allowing [name] to remain in school would seriously harm the education or welfare of others in the school. It is a decision of last resort [and an acknowledgment that the school has exhausted all available strategies to support [name] remaining in school]. Therefore, the decision is legal.

Procedural impropriety

E.g. There is [a full and thorough documented timeline of persistent breaches of the school's behaviour policy] [full and thorough documented evidence of the serious one-off incident]. Review meetings took place with key staff. The decision was made within the statutory timeframes, and all stakeholders were informed at all stages. The PEX is in line with school policies, all of which are well publicised to parents and students and letters of notification were sent out. Therefore, there is no procedural impropriety.

Rationality

E.g. The decision to permanently exclude is based on fact and not assumption. It was not rushed. [name] was given an opportunity to provide a statement [for the latest incident] and a number of key staff have always been involved. Therefore, the decision is rational.
