From the Head Teacher

May I take this opportunity to welcome each and every one of you to the new year at The Gordon Schools Federation. We have had an incredibly successful first week. I am delighted to be joined by my team, new and previous members, who are all fully on board to make this the most successful year yet.

When I started in February I said I would raise standards and make the school a more enjoyable place for your children. I hope you can see that we are on that journey. Our new assessment package and curriculum are beginning to become fully embedded and the classrooms are bright and well-stocked in order to put the focus back on learning where it rightly belongs. This will be a momentous year for Gordon.

This is our year.

Let's embrace it fully as one community.

Kind regards,
Mrs McGuigan

Photographs—a polite notice

The start of term is an exciting time for everyone and we all adore taking photographs of our loved ones to cherish for the future. However, may I ask that if you want to take a photograph of your child with their friends on the school premises, then you must ask permission from all parents concerned. Thank you for your understanding in this matter.
